

Green Moments

January 2016

National Radon Action Month

Radon contributes to unhealthy indoor air quality. Unfortunately with cold weather, most of our time is spent indoors. This January take a moment to learn more about radon, including how it affects health and learn preventive measures.

ACC and SAMR

Due Jan .30

If you have a Ky. Air Permit, it is time to turn in your Annual Compliance Certifications (ACC) and Semi-Annual Monitoring Reports (SAMR), which are due at the end of the month. If you are having issues, DCA is here to help. Give us a call, send an email, or attend DCA's training event.
